THIRST THINGS FIRST

OUR PERFECT SERVES

Our Old Tom's rooty, earthy notes compliment the cinchona in any good tonic. For a Jensen's twist on the classic G&T, fill a glass with ice, add a generous measure of Jensen's Old Tom, charge with Fever-Tree tonic and garnish with a sprig of rosemary.

As an alternative to tonic, combine our Bermondsey Dry with Fentimen's Rose Lemonade, lemon wheels and plenty of ice. Fentimen's floral flavours work beautifully with our juniper and citrus notes, creating a crisp and refreshing drink.
